

TAX REFUND

A service for companies all over the world.

More than 1.600 companies from 4 continents already trust our longtime experience.

Your benefits.

Expert Knowledge

We do not just process your bills. We are not just refunders but also tax consultants.

Your personal one-stop-shop

Being a tax consultant we are authorised to represent foreign companies – especially from outside the EU – towards financial authorities in Austria.

For more than 30 years we are Austria's leading refunder.

Being a full service provider we help companies all over the world to get their foreign VAT back – quick, easy

Fast and convenient

Applications from countries outside the European Union have to be filed together with the original bills in hard copy. In Austria, this is centralised at one single tax office located just 290 meters from our head office.

International Partners

Almost every company has got foreign bills. Therefore, for more than 30 years we have close co-operations with refunders all over the world. They help us whenever presence or expertise is needed in other countries for fulfilling our services.

Our services.

- In-house checking of bills right at the company or
- Checking of provided bills for applicability (Preselection is done by the company itself or by its tax consultant)
- Dealing all requests from financial authorities
- Processing all paperwork (registration, file the tax declarations, etc.)
- Forwarding all bills from countries outside the European Union to our partner of its country of origin
- Secure money transfer of the returned VAT by using a special escrow deposit
- Attractive and flexible pricing model

Our philosophy.

It doesn't matter if we just file well-prepared applications or if we look through all bills right at your office ... We help where help is needed.
